

# SN Financial Review Meeting Cancellation Terms

When we agree a mutually convenient time and date with you for your review we will record this on to our systems. If this is more than five working days in the future we will send you a reminder by your preferred communication option closer to the date.

If your circumstances change and for any reason you can't make this review, please notify us immediately by emailing [enquiries@snfinancial.co.uk](mailto:enquiries@snfinancial.co.uk) or calling the office on 01905 779697. If you are unable to attend your meeting and we are unaware there may be occasions where we have to send your review documents to you by email or post, as they may already have been completed. We will then contact you to schedule in your next review. Thank you.
